- Re from yesterday - plots
- Young's Modules - Hook's Law
- Density - first intro
- Tensile Text

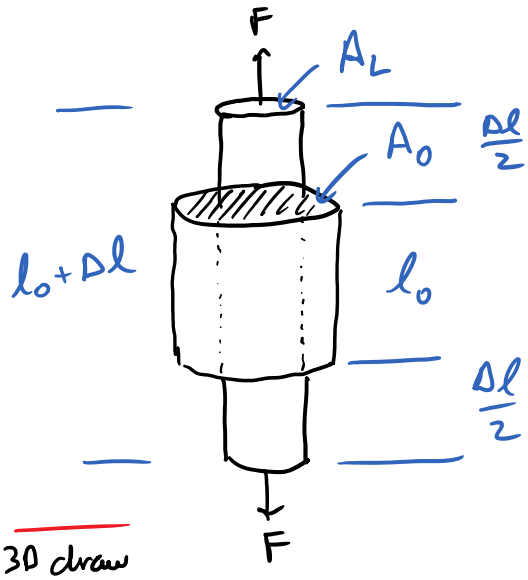

Young's Modules or Hook's Law + Density

September 18, 2026 8:02 AM

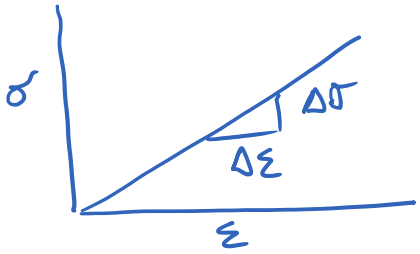

3D draw

$l = L$ same.

Young's Module

Sigma $\sigma = \frac{F}{A_0}$ - Force, A_0 - initial area

epsilon $\varepsilon = \frac{\Delta l}{l_0}$

also to Hooke's law.

$\sigma = E\varepsilon$

or use the Hooke's Law

E

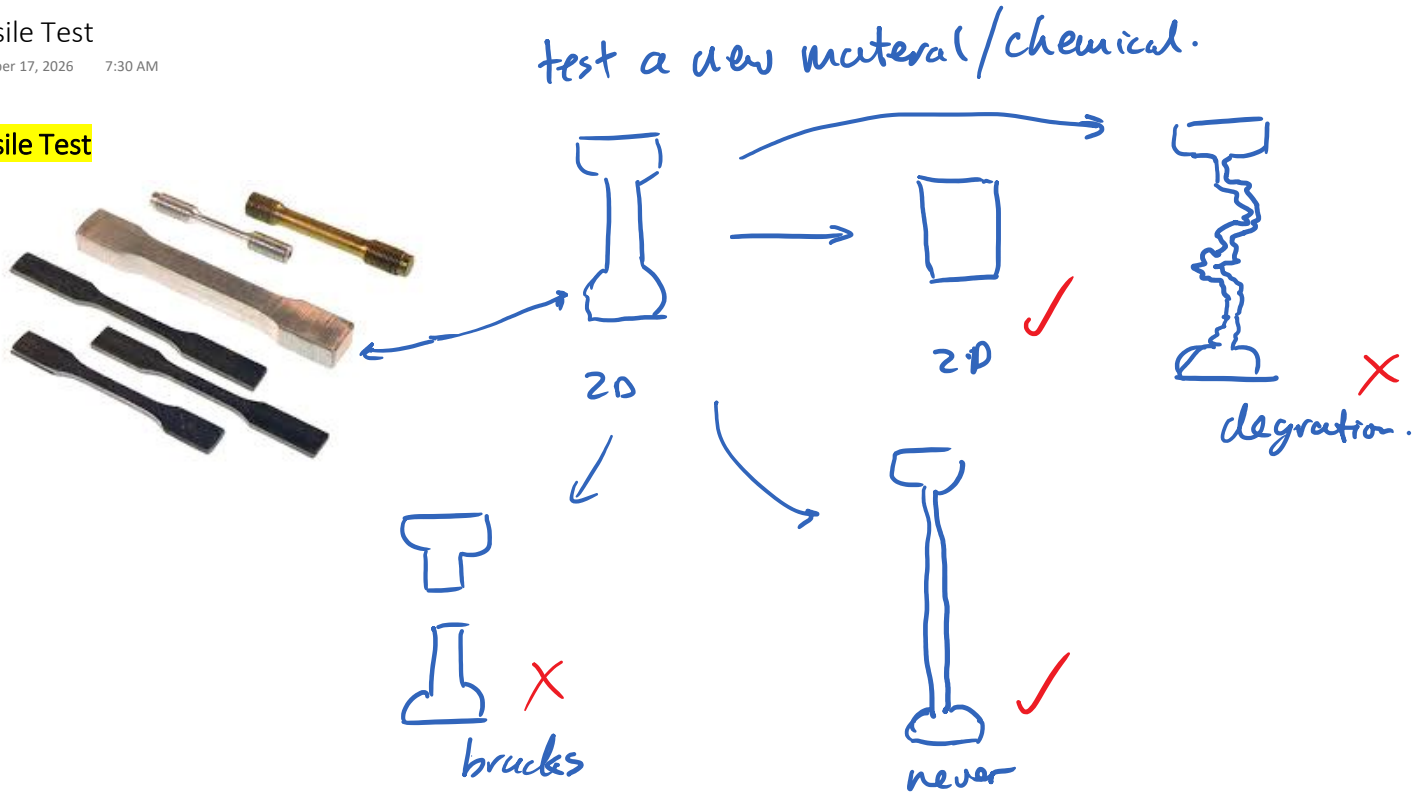

or

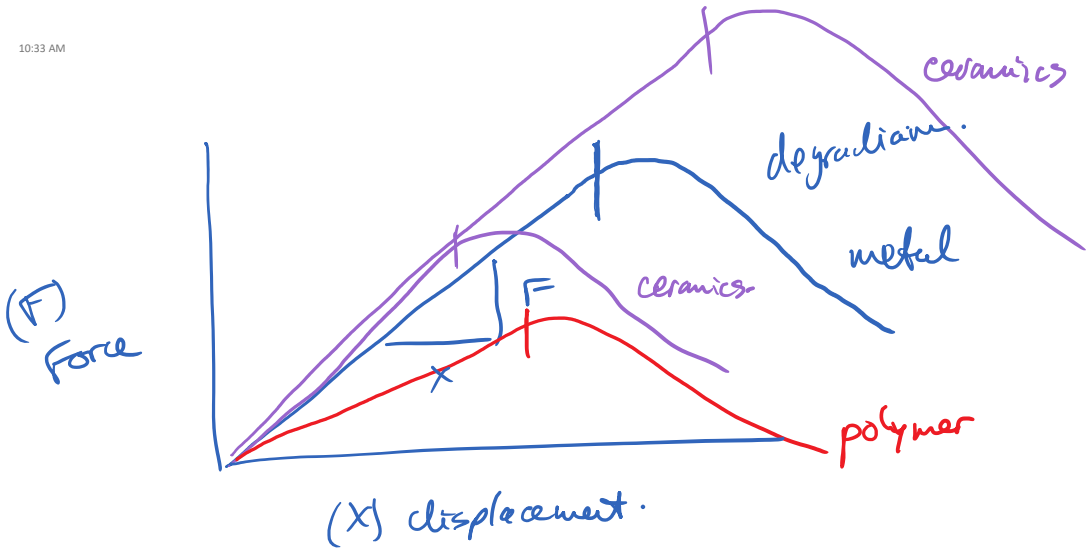

Tensile Test

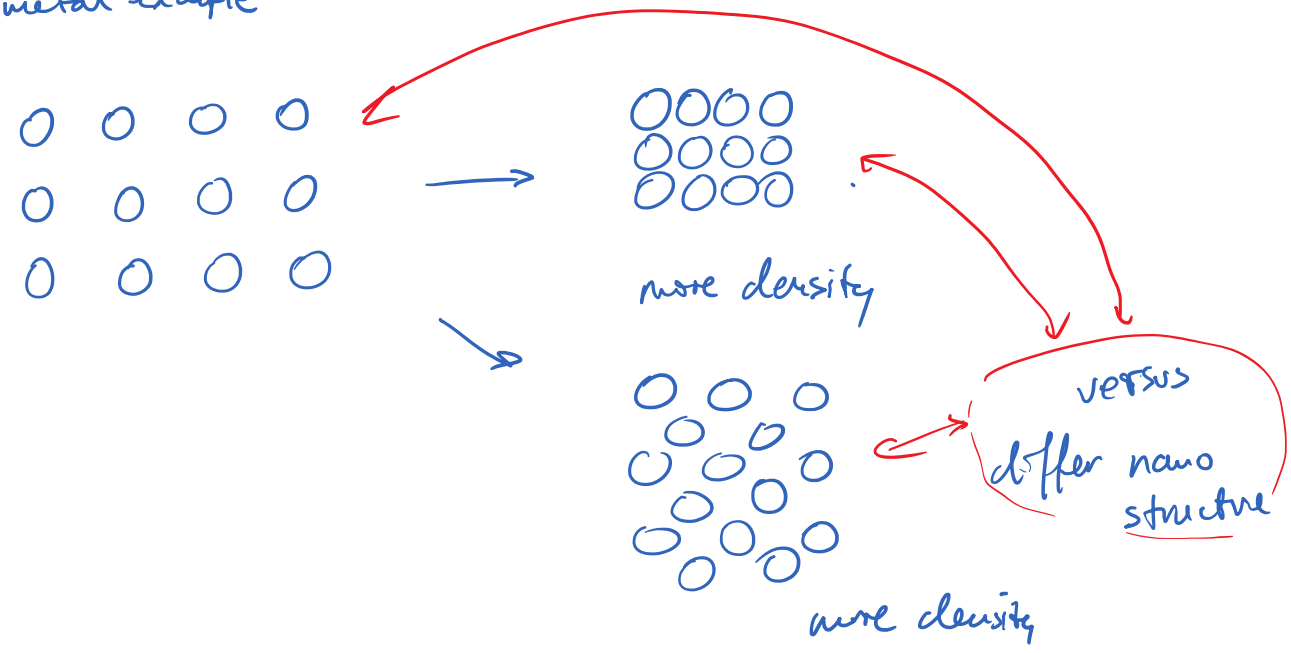

September 17, 2026 7:30 AM

Tensile Test

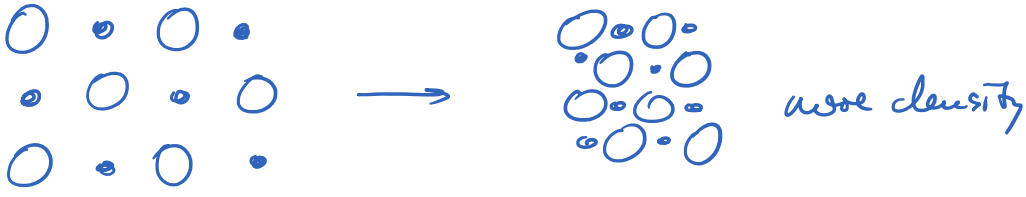

(b) just a metal example

(c) ceramics

Just to ask re office hours?

September 17, 2026 8:15 AM

Wednesday 2-3pm ?

Wednesday 3-4pm ✓

Thursday 11am-12noon ?

Friday 11am-12noon ✓
